

1 POSTER

Hang the posters in your treatment rooms and waiting areas to start the conversation about the campaign. Posters also look nice framed.

2 TABLE TENTS

Place table tents on your front desk and in your treatment rooms where they will catch your patients' attention.

3 BUTTONS & T-SHIRTS

The t-shirts and buttons can be worn by your team to spark conversation about the campaign. Call us at 877-316-7516 if you would like to order more.

4 SOCIAL SIGNS & PROPS

Ask your patients to grab a sign, hold the halloween props, snap a photo, and post it to their social media accounts!

5 DIGITAL FILES

We'll provide you with all the digital files you need for posting to your website and social media accounts!

6 RAFFLE CARDS

After taking a photo, have your patient fill out the top and bottom portions of the raffle card. Put the bottom card in a raffle bowl and hang the top portion in your office.
